

Hang2it® SHOWER CURTAINS

DUO POLY
EZ-DUO77-1C-WSL

HANG2IT DUO 72"WIDE X 77" LONG WHITE LT VIEW WINDOW AND SNAP LINER

Construction:

- Hang2it Tear Drop Style Buckles, US Patent #D859,964, total of 10 each color chrome spaced precisely in upper portion of heading to allow proper balance for the shower curtain to move across the shower bar with little to no friction when opening and closing the curtain for use.
- Front and back body material below window approximately 57" long 100% polyester, 300 denier heavy, treated with water repellency, specifically for shower curtain use in color white back material liner will have one magnet in each corner.
- Light view window is approximately 15" in length from bottom of header, 100% polyester knit treated with water repellency in color white
- Plastic nylon snaps, total of 12 each to assure liner holds and lays flat across the back of the curtain, easy to snap away to remove and wash

Operation:

- Shower curtain to hang onto a shower rod by its custom hang2it header

Installation:

- Buckle openings must face the inside of the tub for proper hanging

Origin, Case Pack and Certification:

- Manufactured in Cambodia and stocked at either location in PA or AZ for quick delivery.
- Each curtain folded and individually poly-bagged into sets of 12 each per case.
- Kartri Sales Co., Inc. is Women Owned Recognized with WBENC-Certified Women's Business Enterprise and WOSB-Woman Owned Small Business.
